With its sleek design and universal style, this wood side table is the perfect addition to your sofa, recliner, or accent chair.

Picture this—You’re reading your favorite book and it’s getting really good, like, the main character may be living a double life kind of good. You need to turn the page to find out what happens, but you’re holding a cup of coffee. What do you do?! You must know what happens next! Well, let us introduce to you the Adaline Café™ side table. With its sleek design and universal style, this wood side table is the perfect addition to your sofa, recliner, or accent chair. Or it makes a great bedside table too! This wood end table features a storage drawer with metal runners and safety stops that is ideal for storing your remote, magazines, or that book we were just talking about. Additionally, this end table features a lower open shelf for storage and display of décor or organizing bins. Finished on all sides for versatile placement with an Orchard Oak™ finish, this end table with drawer allows you to get back to your book—no spoilers!
